

# 10 Reddit-style story hooks

One hook from each of the 10 hook types in the **Reddit-Style Story Script Vault**. Original fiction, written from scratch. Read aloud, each takes about 3–5 seconds. Free to use in your own videos; label the story as “Fictional story”.

|      |                                                                        |                                  |      |
|------|------------------------------------------------------------------------|----------------------------------|------|
| H001 | Am I wrong for charging my best friend rent for my couch?              | Type 1: Judgment ask             | 12 w |
| H016 | I was halfway out the window when my roommate came home early.         | Type 2: Cold open mid-action     | 12 w |
| H031 | And that's how my mother-in-law ended up locked out of her own party.  | Type 3: Shocking last line first | 13 w |
| H046 | My coworker kept stealing my lunch, so I started packing decoys.       | Type 4: Petty revenge setup      | 11 w |
| H061 | A stranger demanded my window seat because she “liked the view.”       | Type 5: Entitled person          | 11 w |
| H076 | My mom gave my wedding fund to my brother. Then she asked for help.    | Type 6: Family/wedding drama     | 14 w |
| H091 | My boss scheduled a meeting about meetings. I brought a timer.         | Type 7: Workplace                | 11 w |
| H106 | My roommate has been paying half my rent for months. I didn't ask.     | Type 8: Roommate/neighbor        | 13 w |
| H121 | I thought my neighbor hated me. Then I found what she'd been building. | Type 9: Wholesome twist          | 13 w |
| H136 | Every night at 3:12, my smart speaker says good morning.               | Type 10: Unsettling/mystery      | 10 w |
