How scoring works

Every player fills in a ballot at the end of Round 3, after Script 4, including anyone with a secret to hide. Collect the folded ballots in a bowl or a hat, then open the sealed solution.

BALLOT LINE	POINTS	WHAT COUNTS AS RIGHT
Who poisoned Gus?	3	The name matches the solution
How was it done?	1	The method matches the solution in broad terms
Why?	1	The motive matches the solution in broad terms
Key clue	Tie-break	The clearest, most convincing clue wins a tie

AWARDS

Best Detective goes to the highest score. **Best Costume**, **Best Bluffer** and **Star of the Ball** are decided by a show of hands. Certificates are in 34-Awards-and-Table-Signs.pdf.
