

MAKE IT A PARTY

# What is in the decor pack

| PAGES | WHAT                                            | HOW                                                                                                                   |
|-------|-------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------|
| 2-5   | 4 printable masks: owl, swan, fox, midnight sun | Print on card stock, cut on the solid outline, cut out the dashed eye holes, punch the side circles and tie on ribbon |
| 6-12  | Banner: THE BLUE LANTERN, 14 pennants           | Cut on the dashed outline, punch the two circles and thread onto ribbon                                               |
| 13    | The Blue Lantern Bar drink menu                 | Stand it on the drinks table or pop it in a frame                                                                     |
| 14-15 | 4 photo booth signs                             | Cut out and tape a paper straw or stick to the back tab                                                               |

CARD STOCK AND COLOUR

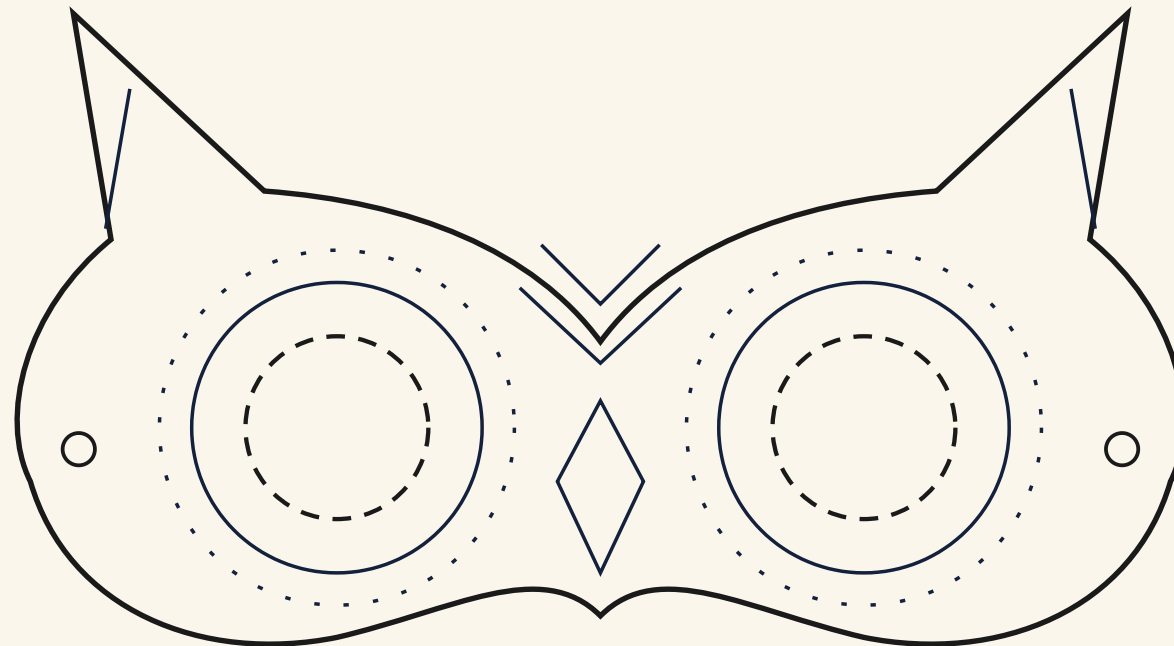

Masks and signs are line art on white, so they print in black and white and guests can colour them in with gold pens before the party.

FIT

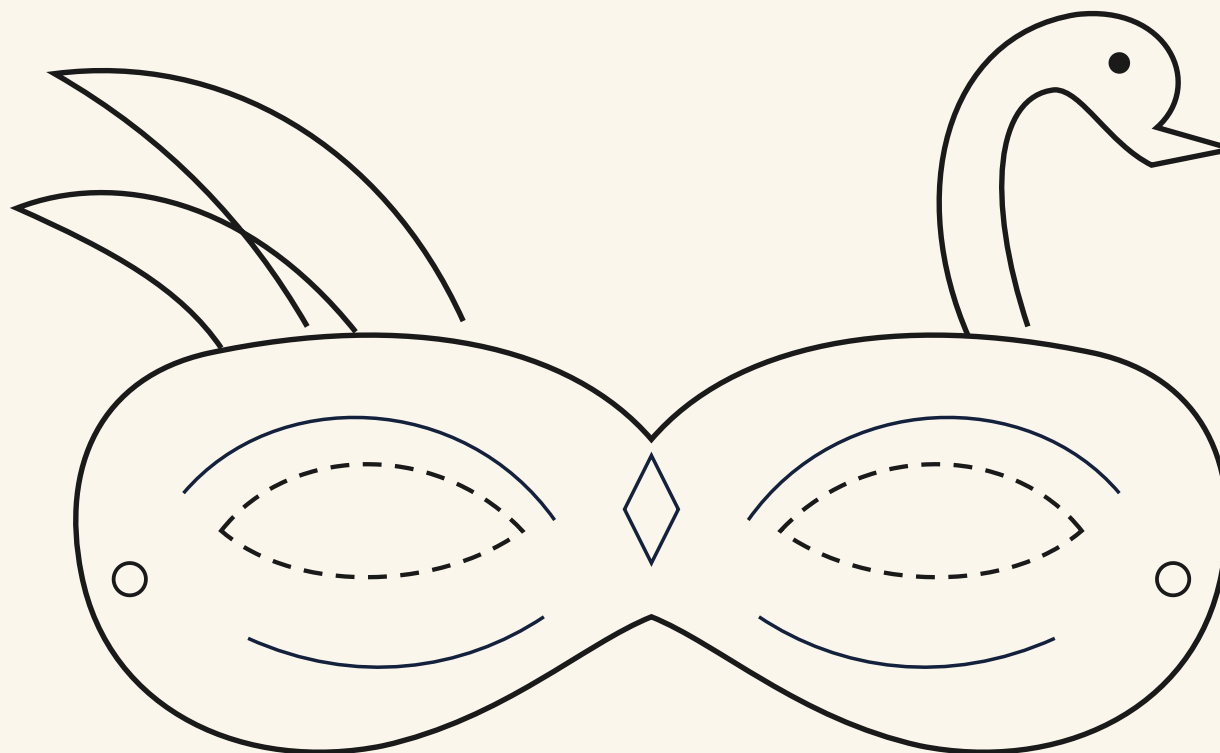

Each mask is about 7 inches (18 cm) wide and prints in full on both Letter and A4. Adjust the eye holes to fit before cutting.

INK SAVING

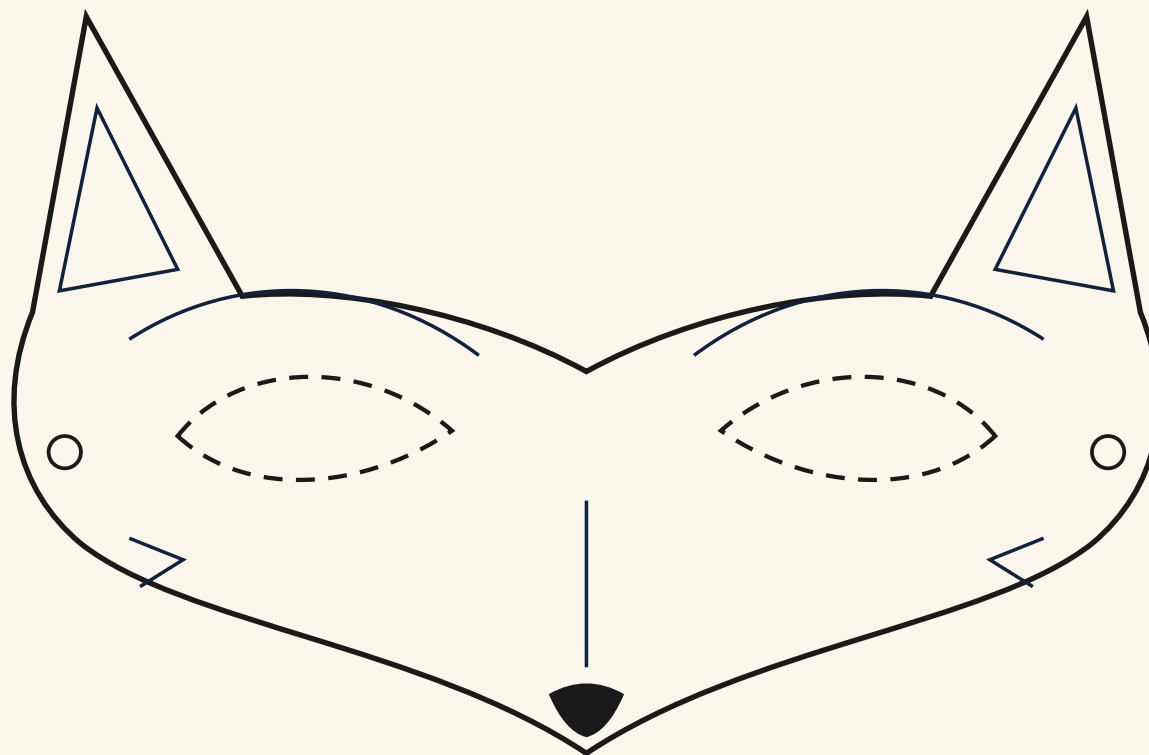

The banner is the only page with large dark areas. It is optional.

Print on card stock • Cut on the solid outline • Cut out the dashed eye holes • Punch the two side circles and tie on ribbon

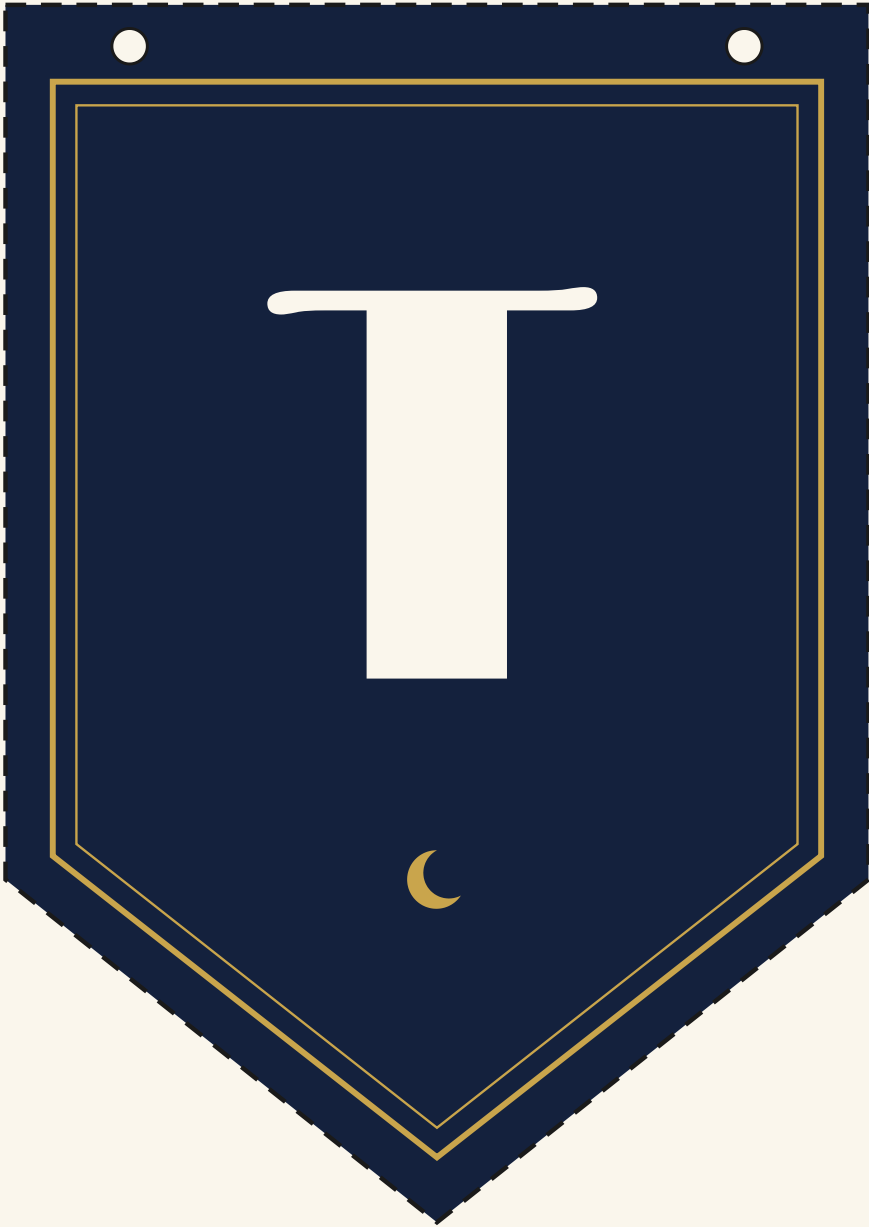

Print on card stock • Cut on the solid outline • Cut out the dashed eye holes • Punch the two side circles and tie on ribbon

Print on card stock · Cut on the solid outline · Cut out the dashed eye holes · Punch the two side circles and tie on ribbon
