HOST INSTRUCTIONS

Every guest who is not a suspect gets one card. Each card holds **something they noticed** (a fact), **a question for a named suspect** and **a mingle mission**. No single card solves the case; teams win by combining them with the evidence.

❄️ How to deal

1. Cut along the dashed lines (2 cards per page, 10 pages, G1–G20).
2. Deal in order, G1 first, one per guest, as people arrive.
3. From 31 players, extra guests join a team without a card (max 8 per team).
4. Guests read their card, share the clue with their team and go find their suspect.

❄️ Must-deal cards ★

CARD	GUEST	IF NOT DEALT, THE HOST READS IT ALOUD
★ G1	Morgan Ashby · Front Desk & Coat Check	Start of Round 1 (line printed in the Host Guide)
★ G2	Quinn Oakley · Customer Care	Start of Round 2 (line printed in the Host Guide)
★ G3	Tatum Reyes · Accounts Payable	Start of Round 2 (line printed in the Host Guide)
★ G4	Blake Okafor · Warehouse & Shipping	Start of Round 3 (line printed in the Host Guide)

The four starred cards hold facts the teams need. Dealing in order from G1 covers them as soon as four guests have cards. All other cards (G5–G20) add color, alibis and red herrings and can be left out freely.

FRONT DESK & COAT CHECK

SOMETHING YOU NOTICED

ASK A SUSPECT
