How to use

Four steps. That is the whole system.

1 Write every bill on the Bill List.

Page 6. Amount, due day, autopay. Do it once, then update.

2 Fill in one Paycheck Plan each payday.

Page 5, or the 26 Paychecks file. Bills, set aside, one number.

3 Do the 10-Minute Check-In once a week.

Page 10. Set a timer. Stop when it rings.

4 Missed a week? Turn to the Restart Page.

Page 28. No catching up, no guilt.

> Never write full account numbers or passwords in this planner. Nicknames like 'main account' are enough.
