CLUE & CANDLE GAMES

Before the game

You've carved toys in the Snowbury workshop for 15 years. Your Jingle Bear is the best-selling toy Frost & Fable ever made. Everyone knows you love Christmas, plants and the old ways of making things.

YOUR SECRET: YOU KILLED NICK

At about 3:30 you took a new prototype, a dancing nutcracker, to Nick's study. The door was ajar. You heard Nick and Jordan agree to sell the company to MegaMart: the workshop closes on 15 January, and every design you ever made, the Jingle Bear included, now belongs to MegaMart. Nick laughed and said, "Robin's a sentimental fool. The designs belong to the company anyway." You left the nutcracker on the hall table and walked away.

At 4:00 you signed out the greenhouse key "for holly" and cut three foxglove stalks (your grandmother taught you which plants are poisonous). You borrowed a small saucepan and peppermint extract from Casey's kitchen, and in the workshop kitchenette you boiled the foxglove into a "peppermint syrup". You poured it into an antique bottle, tied it with red velvet ribbon and wrote the tag. You had drawn Nick in the Secret Santa, so at 6:45 you put it under the tree as your gift. At 9:00 Nick poured it into his eggnog. After he collapsed you took the bottle and dropped it out of the workshop window into the snow.

You are the killer

Your cover story: you gave Nick a hand-carved wooden reindeer for Secret Santa. You may lie about the crime. Don't confess until Inspector Noel reveals the solution. All night, keep suspicion pointed well away from the workshop, and try to win Best Liar without anyone guessing why.

HOW TO USE YOUR BOOKLET

- Read "Before the game" now. Read each round only when Inspector Noel starts it.
- Each round gives you something to reveal, questions to ask and a mini task. Do them all, in any order, while you mingle.
- You may keep your secret until your booklet tells you to reveal it. You may not lie about anything on an evidence card, unless your booklet says otherwise.
- Stuck? Ask someone a question from your list, or go and look at the evidence table.

Rounds 1 & 2

Round 1

Read only when Inspector Noel starts Round 1

Play it like this: Be warm and shocked: Nick was "like family". Point out that Jordan handed Nick his mug and Casey made the eggnog. If anyone asks what you gave for Secret Santa, it was the reindeer.

REVEAL OR GOSSIP

- Tell people Nick gave you your first job at 22 and you can't believe he's gone.
- Gossip: Alex Snow shouted "You'll regret this, Frost!" at about 8:00. Make sure everyone has heard.

QUESTIONS TO ASK

- Ask Jordan why they were shut in the study with Nick all afternoon.
- Ask Casey whether anyone else went near the eggnog bowl before the toast.

MINI TASK

Get at least two people to say out loud that the eggnog could have been tampered with.

Round 2

Read only when Inspector Noel starts Round 2

Play it like this: About the key log: you fetched holly for the mantel (there really is holly on the mantel). About the Secret Santa list: "Yes, I drew Nick, and I gave him the reindeer. Someone must have swapped the gifts." Steer suspicion to Morgan, who ran the Secret Santa and also had the greenhouse key.

REVEAL OR GOSSIP

- If anyone mentions sawdust or varnish near the study, shrug: the whole lodge smells of the workshop.
- Gossip: Morgan holds nearly every key in the lodge and ran the Secret Santa draw.

QUESTIONS TO ASK

- Ask Morgan why they went to the greenhouse at 6:00.
- Ask Frankie whether deer really get into the greenhouse.

MINI TASK

Privately convince one player that Morgan could have swapped the Secret Santa gifts.

Round 3 & notes

Round 3

Read only when Inspector Noel starts Round 3

Play it like this: About the reindeer in your drawer: "I wanted to give it to him privately, later." About the bottle: anyone could have thrown it from that window. Keep pushing Morgan and Alex.

REVEAL OR GOSSIP

- If asked where you were at 9:50: you ran to fetch a blanket for Nick.
- If Casey mentions the saucepan: you borrowed it for gingerbread glue and left it out, so anyone could have used it after.

QUESTIONS TO ASK

- Ask Alex what they were doing in the corridor at 9:45.
- Ask Charlie who else is missing from the group photo.

MINI TASK

Before voting, persuade at least one detective to accuse someone other than you.

BEFORE YOU VOTE

Fill in a ballot like everyone else and accuse someone else. Do not confess until Inspector Noel reads the solution.

PLAYING ROBIN · READ THIS BEFORE ROUND 1

Your manner: Gentle, sentimental and endlessly helpful. Fuss over people, offer to fetch things, and talk about toys the way other people talk about their children.

Lines to try: "Nick gave me my first job. I owe that man everything." "Fifteen years in that workshop. Every toy has a story, you know." "Can I get anyone a mince pie? Keeping busy helps."

If someone accuses you: Look hurt, not angry: "Me? I carve teddy bears. Ask Morgan who ran that Secret Santa."

CLUE & CANDLE GAMES

Before the game

You've been Nick's business partner for ten years. You're the numbers person. At the 9:00 toast, you carried Nick's red mug from the kitchen to him. Casey had filled it from the eggnog bowl.

YOUR SECRET

Two years ago you "borrowed" \$20,000 from the company's charity Toy Drive fund to cover a reindeer-farm investment that failed. Nick found out last week. He said you'd repay it from your sale bonus or he'd go to the police. You also spent 3:00 to 5:00 today in the study with Nick, signing the sale of Frost & Fable to MegaMart. Nobody else is supposed to know about the sale yet.

You are innocent

Your alibi: you were in the study with Nick from 3:00 to 5:00, so you couldn't have gone to the greenhouse.

HOW TO USE YOUR BOOKLET

- Read "Before the game" now. Read each round only when Inspector Noel starts it.
- Each round gives you something to reveal, questions to ask and a mini task. Do them all, in any order, while you mingle.
- You may keep your secret until your booklet tells you to reveal it. You may not lie about anything on an evidence card, unless your booklet says otherwise.
- Stuck? Ask someone a question from your list, or go and look at the evidence table.

Playing Jordan

Your manner: Brisk, guarded and precise. Check your watch, answer questions with numbers and never volunteer anything you don't have to.

LINES TO TRY

- "I don't deal in rumours. I deal in figures."
- "Company business is confidential. Even tonight."
- "I carried a mug across a room. That's all."

IF SOMEONE ACCUSES YOU

- Stay cool: "I was in the study with Nick from three to five. Check the notes."

FIRST IMPRESSIONS: WHO SEEMS NERVOUS? WHOSE STORY SOUNDS REHEARSED?

Rounds 1 & 2

Round 1

Read only when Inspector Noel starts Round 1

Play it like this: Admit you carried the mug, but you never opened it and Casey poured it. Keep the sale and the charity fund secret. Ask Alex why they turned up uninvited. Ask Robin what they gave Nick for Secret Santa.

REVEAL OR GOSSIP

- Nick's red "Big Boss" mug was a joke present from the staff years ago. Nobody else ever used it.
- Gossip: Alex Snow arrived uninvited at 7:15 and went straight over to Nick.

QUESTIONS TO ASK

- Ask Casey who else was in the kitchen just before the toast.
- Ask Charlie whether there's a photo of you handing over the mug.

MINI TASK

Get Casey to confirm, in front of a witness, that Casey filled the mug and you only carried it.

Round 2

Read only when Inspector Noel starts Round 2

Play it like this: When your meeting notes are revealed, admit the sale. Add this: at about 3:30 you heard the hall floorboards creak and smelled sawdust and wood varnish, as though someone had been standing outside the door.

REVEAL OR GOSSIP

- Refuse to say the sale price. "That's confidential, even tonight."
- Gossip: this morning Nick said he had "one unpleasant job" left to do before the party.

QUESTIONS TO ASK

- Ask Quinn what *Toy Trade Weekly* knows about the sale.
- Ask who in the lodge smells of sawdust and wood varnish. Who works with wood all day?

MINI TASK

Find out who was standing outside the study door at about 3:30.

Round 3 & notes

Round 3

Read only when Inspector Noel starts Round 3

Play it like this: If pressed about money, confess the charity fund. Insist that Nick alive was your only way to repay it quietly. With Nick dead, the sale might fall through.

REVEAL OR GOSSIP

- Say you always meant to repay every cent from your bonus.
- Point out that you were in the study with Nick from 3:00 to 5:00. The meeting notes prove it.

QUESTIONS TO ASK

- Ask Taylor who they have been texting all night.
- Ask Morgan whether anyone else used Nick's study today.

MINI TASK

Before ballots, walk the room through your afternoon, minute by minute, in under a minute.

BEFORE YOU VOTE

Look at the evidence table one last time. Your ballot needs who, how and why, plus the clue that convinced you.

CLUE & CANDLE GAMES

Before the game

You're Nick's only family, so you're his heir. You write mystery novels that nobody has published yet. You arrived on the 6:05 train.

YOUR SECRET

You're deep in debt, and last month Nick refused to lend you money ("Get a real job, Sam"). Your notebook is full of research for your novel *Death by Mistletoe*, and that includes notes on poisonous plants. Foxglove is one of them.

You are innocent

Your alibi: your train didn't arrive until 6:05.

HOW TO USE YOUR BOOKLET

- Read "Before the game" now. Read each round only when Inspector Noel starts it.
- Each round gives you something to reveal, questions to ask and a mini task. Do them all, in any order, while you mingle.
- You may keep your secret until your booklet tells you to reveal it. You may not lie about anything on an evidence card, unless your booklet says otherwise.
- Stuck? Ask someone a question from your list, or go and look at the evidence table.

Playing Sam

Your manner: Dramatic, curious and a little broke. Treat the whole night as research: scribble notes, gasp at clues, quote your own unpublished novel.

LINES TO TRY

- "This would make a marvellous chapter nine."
- "Uncle Nick never read a single page I wrote."
- "In my book, the butler did it. Is there a butler?"

IF SOMEONE ACCUSES YOU

- Laugh it off: "Writing about poison isn't the same as using it. I was on a train!"

FIRST IMPRESSIONS: WHO SEEMS NERVOUS? WHOSE STORY SOUNDS REHEARSED?

Rounds 1 & 2

Round 1

Read only when Inspector Noel starts Round 1

Play it like this: Be charming. Ask people whether Nick ever talked about his will. The cardigan by the fire is yours, and so is the notebook page in its pocket. If anyone asks, admit it: it's research for chapter 9, and you're a writer, not a poisoner. You haven't been near the greenhouse.

REVEAL OR GOSSIP

- You arrived on the 6:05 train. Keep that in mind; it will matter later.
- Gossip: you've heard Nick and Jamie were a couple once.

QUESTIONS TO ASK

- Ask Jordan what happens to the company now Nick is gone.
- Ask Jamie how long they knew Nick, and how it ended.

MINI TASK

Interview three people "for your next novel" and note one suspicious thing each of them says.

Round 2

Read only when Inspector Noel starts Round 2

Play it like this: Share something you noticed: at the 8:30 Secret Santa opening, when Nick held up a little bottle with a red ribbon and said "Peppermint! Someone knows me!", Robin looked away and went very quiet.

REVEAL OR GOSSIP

- Nick drew you in the Secret Santa. His gift: a book called *How to Get a Real Job*. Laugh it off.
- You gave Morgan a fountain pen. Ask Morgan if they liked it.

QUESTIONS TO ASK

- Ask Morgan who had the greenhouse key this afternoon.
- Ask Jamie whether Nick said anything about his peppermint gift.

MINI TASK

With one other player, work out from the list who gave Nick the peppermint.

Round 3 & notes

Round 3

Read only when Inspector Noel starts Round 3

Play it like this: Admit the debt if pressed. Point out that the gardener's log means the foxglove was cut before 5:00, when you were still on the train.

REVEAL OR GOSSIP

- In your novel the poisoner is the butler. Real life is never that simple.
- Your train ticket proves you arrived at 6:05.

QUESTIONS TO ASK

- Ask Frankie whether anything else was disturbed in the greenhouse.
- Ask Alex where they were before 7:15.

MINI TASK

Tell your theory, mystery-novelist style, to two people in under a minute each.

Before the game

You run Sleigh Bells Catering. You made tonight's food and the big bowl of eggnog. You filled Nick's red mug from that bowl just before the toast.

YOUR SECRET

Nick never paid last year's \$4,000 catering bill. When you asked, he threatened to tell everyone your food made his guests ill, which wasn't true. You've been furious with him for months.

You are innocent

HOW TO USE YOUR BOOKLET

- Read "Before the game" now. Read each round only when Inspector Noel starts it.
- Each round gives you something to reveal, questions to ask and a mini task. Do them all, in any order, while you mingle.

- Stuck? Ask someone a question from your list, or go and look at the evidence table.

Playing Casey

Your manner: Warm, proud and protective of your food. Bustle about with a ladle, top up drinks and take any slight against the eggnog personally.

LINES TO TRY

- "Everyone had the eggnog. Do you feel ill? No? Well then."
- "Five years I've catered these parties. Five years!"
- "Nutmeg, cinnamon, cream. Not a drop of peppermint."

IF SOMEONE ACCUSES YOU

- Bristle: "I poured it from the same bowl as everyone else's. Ask anyone."

FIRST IMPRESSIONS: WHO SEEMS NERVOUS? WHOSE STORY SOUNDS REHEARSED?

Rounds 1 & 2

Round 1

Read only when Inspector Noel starts Round 1

Play it like this: Defend your eggnog: everyone drank it all night and nobody else is ill. Share what you saw: at 9:00 Nick took a little glass bottle with a red velvet ribbon and poured it into his mug, saying "My Secret Santa knows me!" After he collapsed, the bottle was gone.

REVEAL OR GOSSIP

- Your eggnog recipe uses nutmeg and cinnamon. There is no peppermint in it at all.
- Gossip: Jordan held Nick's mug for a whole minute before handing it over.

QUESTIONS TO ASK

- Ask Jordan whether they opened or put down the mug on the way.
- Ask everyone whether they drank the eggnog, and whether they feel fine.

MINI TASK

Get at least three guests to say they drank the eggnog and feel perfectly well.

Round 2

Read only when Inspector Noel starts Round 2

Play it like this: Admit the unpaid bill if asked. Ask Morgan who drew Nick in the Secret Santa.

REVEAL OR GOSSIP

- You've catered for Frost & Fable for five years.
- Gossip: you're not the only person here Nick owed money to, or who owed money to Nick.

QUESTIONS TO ASK

- Ask Jamie whether Nick was ever fair about money.
- Ask Taylor whether Santa saw anyone near the tree with a small bottle.

MINI TASK

Find one other person Nick treated badly over money, and get them to admit it.

Play it like this: Remember this now: at about 4:45 Robin came to your kitchen and borrowed a small saucepan and your peppermint extract "for a workshop project". You thought it was for gingerbread glue. You never got the saucepan back.

REVEAL OR GOSSIP

- Your small saucepan has a Sleigh Bells Catering label on the handle.
- You keep peppermint extract for candy canes, never for the eggnog.

QUESTIONS TO ASK

- Ask Robin what the "workshop project" was.
- Ask Frankie what time the foxgloves were cut.

CLUE & CANDLE GAMES

Before the game

You run Snow Toys, Frost & Fable's biggest rival. Nobody invited you. You arrived by taxi at 7:15.

YOUR SECRET

Twelve years ago Nick stole your Snowflake Sled design and made a fortune from it. You heard a rumour that Frost & Fable was for sale, and you came tonight to make Nick an offer, or to make a scene. At about 8:00, in front of several guests, you said: "You'll regret this, Frost!"

You are innocent

Your alibi: your taxi picked you up in town at 6:50.

HOW TO USE YOUR BOOKLET

- Read "Before the game" now. Read each round only when Inspector Noel starts it.
- Each round gives you something to reveal, questions to ask and a mini task. Do them all, in any order, while you mingle.

- Stuck? Ask someone a question from your list, or go and look at the evidence table.

Playing Alex

Your manner: Icy, elegant and enjoying the drama a little too much. Arch an eyebrow, hand out business cards and never apologise for coming.

LINES TO TRY

- "Uninvited? I prefer 'unexpected!'"
- "Nick and I had history. Twelve years of it."
- "Snow Toys: cool toys for warm hearts."

IF SOMEONE ACCUSES YOU

- Shrug: "I wanted him ruined, darling, not dead. A dead man can't sign a deal."

FIRST IMPRESSIONS: WHO SEEMS NERVOUS? WHOSE STORY SOUNDS REHEARSED?

Read only when Inspector Noel starts Round 1

Play it like this: Be frosty but polite. Admit you weren't invited. Deny threatening anyone, until someone mentions it.

REVEAL OR GOSSIP

- Gossip: Nick "borrowed" ideas from half the toy trade, not just from you.
- Your company slogan: "Snow Toys: cool toys for warm hearts."

QUESTIONS TO ASK

- Ask Jordan, sweetly, whether Frost & Fable is for sale.
- Ask Charlie how much marketing really knows about the company's future.

MINI TASK

Give your "business card" (name, company, slogan) to three guests.

Round 2

Read only when Inspector Noel starts Round 2

Play it like this: Admit the stolen Snowflake Sled. Say that you wanted Nick ruined, not dead: a dead man can't sign a deal with you.

REVEAL OR GOSSIP

- If Riley mentions you, admit Riley is writing a jingle for Snow Toys. Keep it short.
- Gossip: you've heard MegaMart wants the designs, not the workshop.

QUESTIONS TO ASK

- Ask Quinn who has been talking to the press.
- Ask Taylor whether Santa has a second employer tonight.

MINI TASK

Make someone a job offer at Snow Toys, loudly enough for others to hear.

- You only stepped into the corridor for a minute, then came straight back.

QUESTIONS TO ASK

CLUE & CANDLE GAMES

Before the game

You've organised Nick's life for six years. You planned tonight's party and ran the Secret Santa draw, and you keep the list. You hold most of the lodge keys.

YOUR SECRET

This morning Nick told you that you're out of a job in January, because MegaMart has its own assistants. Also, at 6:00 you signed out the greenhouse key to fetch poinsettias for the tables.

You are innocent

The foxglove was cut before 5:00, and you didn't go to the greenhouse until 6:00.

HOW TO USE YOUR BOOKLET

- Read "Before the game" now. Read each round only when Inspector Noel starts it.
- Each round gives you something to reveal, questions to ask and a mini task. Do them all, in any order, while you mingle.
- You may keep your secret until your booklet tells you to reveal it. You may not lie about anything on an evidence card, unless your booklet says otherwise.
- Stuck? Ask someone a question from your list, or go and look at the evidence table.

Playing Morgan

Your manner: Efficient, organised and quietly stressed. Jangle your keys, check your clipboard and try to keep the party on schedule, even now.

LINES TO TRY

- "Toast at nine sharp. It started on time. Everything did."
- "The Secret Santa list is confidential, thank you."
- "I have the keys to nearly everything here. That's my job."

IF SOMEONE ACCUSES YOU

- Calmly correct the record: "My greenhouse visit was at six. Check the log."

FIRST IMPRESSIONS: WHO SEEMS NERVOUS? WHOSE STORY SOUNDS REHEARSED?

Rounds 1 & 2

Round 1

Read only when Inspector Noel starts Round 1

Play it like this: Keep the party calm. Admit you ran the Secret Santa, but don't say who drew whom: "It's a secret!"

REVEAL OR GOSSIP

- You set the toast for 9:00 sharp, and it started on time.
- Gossip: Alex Snow was not on the guest list. You have no idea how they got past the door.

QUESTIONS TO ASK

- Ask Taylor what time Santa took up position by the tree.
- Ask Riley what was playing when Nick collapsed.

MINI TASK

Do a head count: find out where three guests were at 9:40, when Nick collapsed, and write it down.

Round 2

Read only when Inspector Noel starts Round 2

Play it like this: Once the list is revealed, confirm it's genuine and that nobody could have changed it. Mention that at 5:00 the gardener told you some foxgloves had been cut. You assumed deer had got in.

REVEAL OR GOSSIP

- At 7:00 you checked the gift pile under the tree. It was complete.
- Sam gave you a fountain pen for Secret Santa. Lovely.

QUESTIONS TO ASK

- Ask Robin what they put under the tree for Nick.
- Ask Frankie whether deer can actually get into the greenhouse.

MINI TASK

Defend your list: get two people to agree that nobody could have changed it.

Read only when Inspector Noel starts Round 3

REVEAL OR GOSSIP

- The poinsettias you fetched at 6:00 are on every table tonight.
- You had the greenhouse key from 6:00 to 6:15 only, as the log shows.

QUESTIONS TO ASK

- Ask Jordan what Nick said about you in that meeting.
- Ask Charlie whose face is missing from the 9:50 group photo.

MINI TASK

QUESTIONS TO ASK

MINI TASK

Make a list of "the old crew" and share it with one detective.

WHO YOU ARE

Hired to play carols all evening. The piano sits near the corridor to the workshop, so you've had a view of most of the room.

Easy: Bow tie or velvet, sheet music.

Go all out: lounge-pianist glamour: a velvet jacket or dress, a bow tie or pearls, and a folder of carol sheet music.

PUBLIC RELATIONSHIPS

- **Morgan Ivy:** booked you for the party
- **Alex Snow:** you've met before, through work
- **Taylor Star:** your fellow hired entertainer

WHAT YOU WANT TONIGHT

- Keep the music (and the mood) going
- Hear everything without being noticed
- Keep your side job quiet

THE PARTY

Christmas Eve at Snowbury Lodge. The Frost & Fable Toy Company is having its annual party, and its founder, Nicholas "Nick" Frost, is about to raise his favourite red mug for the 9 o'clock toast. Snow is falling. The road is about to close.

Read this cover and "Before the game". Put on your name tag.

2. Rounds 1–3

Each round: reveal, ask your questions, do your mini task.

3. Accuse

Fill in a ballot: who, how and why.

4. Awards

Best Detective, Best Costume and Best Liar.

CLUE & CANDLE GAMES

Before the game

You were hired to play carols all evening. The piano sits near the corridor to the workshop.

YOUR SECRET

You're secretly writing a jingle for Snow Toys, Alex's company.

You are innocent

HOW TO USE YOUR BOOKLET

- Read "Before the game" now. Read each round only when Inspector Noel starts it.
- Each round gives you something to reveal, questions to ask and a mini task. Do them all, in any order, while you mingle.
- You may keep your secret until your booklet tells you to reveal it. You may not lie about anything on an evidence card, unless your booklet says otherwise.
- Stuck? Ask someone a question from your list, or go and look at the evidence table.

Playing Riley

Your manner: Dreamy, observant and musical. Hum carols under your breath, take requests and let slip that you notice everything from the piano.

LINES TO TRY

- "Any requests? I know every carol there is."
- "From the piano you can see the whole room."
- "I stopped playing the moment he fell."

IF SOMEONE ACCUSES YOU

- Play it light: "I was at the piano all night. Everyone heard me."

FIRST IMPRESSIONS: WHO SEEMS NERVOUS? WHOSE STORY SOUNDS REHEARSED?
