Suspect Matrix

Fill in as you read. "Ruled out by" = a document that shows this person could not have done it. Leave it blank if nothing rules them out.

SUSPECT	MOTIVE	OPPORTUNITY	SUSPICIOUS POINTS	RULED OUT BY (D__)
Imogen Quillfeather				
Theo Marchetti				
Priya Halloran				
Desmond Achterberg				
Rosalind Fenwick				

TIP

A motive is not proof. Someone with no obvious motive can still be the one, if the papers put them in the right place at the right time.
