

YOU ARE PLAYING

Sunny Sugarby

Contest Host

“Welcome, welcome, WELCOME to the Sprinkle Street Cake Contest!”

Played by: _____

DRESS-UP IDEA

Something bright and sparkly, a toy microphone (a hairbrush works!), and a big smile.

AT THE CONTEST, EVERYONE KNOWS

Sunny hosts the contest every year and runs the Sprinkle Street Radio show. Loves a big announcement.

How this booklet works

- 1 Read page 2 now, quietly. It tells you who you are, where you were and your own little secret.
- 2 Wait for the Inspector. Round 1 is on page 3. Your Round 2 and Round 3 come as sealed slips: open each one only when Chief Inspector Crumb says so.
- 3 Talk, ask and solve! Share your clues, ask your questions and vote for who has the Golden Whisk.

Sharp eyes

Good questions

No peeking ahead, Detective!

Turn the page only when the Inspector says “Open your case files.” Keep your sealed slips closed until your round is called.

★ You did NOT take the Golden Whisk.

You want Chief Inspector Crumb to find out who did.

Who you are

You host the contest and the radio show. You love excitement!

YOUR LITTLE SECRET

Your clipboard says “HIDE IT! SURPRISE!” It is a plan for a surprise birthday cake for Juniper. It has nothing to do with the Whisk. Keep it secret until Round 3.

Where you were, 2 to 3 pm

- 2:00–2:15** Contest Kitchen, helping the bakers.
- 2:15** Juniper popped in and said the Whisk was polished and back.
- 2:15–2:40** Station 1, radio interview with Pip. Max was mixing next door.
- 2:40** Ran to the Display Tent.

If someone asks you...

“Did you take the Whisk for a big radio story?” “No! I want a happy contest.”

“What is on your clipboard?” “Host business!”

“Where was Remy?” “At Station 2 when we started. I didn’t look again.”
