

YOU ARE PLAYING

Lulu Lemonade

Lemonade Stand Owner

“When life gives you lemons, sell lemonade!”

Played by: _____

DRESS-UP IDEA

Something yellow, a lemon sticker, and a jug or cup.

AT THE CONTEST, EVERYONE KNOWS

Lulu runs the lemonade stand by the Fountain and dreams of a very fancy “Golden Lemonade.”

How this booklet works

- 1 **Read page 2 now, quietly.** It tells you who you are, where you were and your own little secret.
- 2 **Wait for the Inspector.** Round 1 is on page 3. Your Round 2 and Round 3 come as sealed slips: open each one only when Chief Inspector Crumb says so.
- 3 **Talk, ask and solve!** Share your clues, ask your questions and vote for who has the Golden Whisk.

Good questions

No peeking ahead, Detective!

Turn the page only when the Inspector says “Open your case files.” Keep your sealed slips closed until your round is called.

★ You did NOT take the Golden Whisk.

You want Chief Inspector Crumb to find out who did.

If your character is not in the game, the mystery still works.

Who you are

You run the lemonade stand at the Fountain. You wanted to stir your “Golden Lemonade” with the Golden Whisk for a photo.

YOUR LITTLE SECRET

Your “fresh” lemonade today is from a bottle. You ran out of lemons!

Where you were, 2 to 3 pm

1:45 Toby brought you yellow lemon sugar.

2:00–2:40 Your lemonade stand at the Fountain. (If Ollie is playing, Ollie sat with you asking questions.)

2:40 Heard the shout. Ran to the Display Tent.

If someone asks you...

“Did you take the Whisk for your photo?” “No, I used a spoon.”

“Is your lemonade fresh?” “Er... very fresh!” (Confess in Round 3.)

“Did Toby bring you sugar?” “Yellow lemon sugar, at 1:45.”

MY NOTES

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slightly textured appearance and is set against a dark background.
