

Meet the Suspects of Sprinkle Street

CAST LIST · PUBLIC

The case: Just before judging at the Sprinkle Street Cake Contest, the Golden Whisk trophy disappeared from its stand. All that's left is a trail of sugar-dust footprints and a mystery note. Everyone here was nearby, and every one of them has a secret.

10 · CORE

Bright colors, dot stickers, pretend candy

Who's Who

PUBLIC • EVERYONE MAY READ

Pip Butterworth • Last Year's Champion

Won the Golden Whisk last year and has kept it on a shelf at home all year. Back to bake again at Station 1.

Remy Dough • Bakery Apprentice

Works at Rise & Shine Bakery across the street and is entering the contest for the very first time, at Station 2.

Sunny Sugarby • Contest Host

Hosts the contest every year and runs the Sprinkle Street Radio show. Loves a big announcement.

Max Mixwell • Young Inventor

Invented the Whirl-o-Matic, a machine that mixes batter all by itself, and is using it at Station 3.

Juniper Crumble • Judges' Assistant

Helps the judges every year: keeps the score sheets, fetches the judges' tea and polishes the Golden Whisk before the big moment.

Toby Tart • Sugar Delivery Driver

Drives the little pink van of Sprinkle Street Sugar Co. and brought the bakers their sugar this afternoon.

Hazel Honeycomb • Beekeeper

Keeps bees behind the Bandstand and sells honey at the market stall there.

Ollie Oatley • Kid Reporter

Writes for the Sprinkle Street Gazette and is always looking for a front-page story.

Lulu Lemonade • Lemonade Stand Owner

Runs the lemonade stand by the Fountain and dreams of a very fancy "Golden Lemonade."

Basil Brightwater • Garden Show Contestant

Enters the Garden Show at the Bandstand every year and grows the biggest tomatoes on Sprinkle Street.

Kit Kettle • Tea Room Owner

Owens the Kettle Tea Room and makes the judges' tea every year.

Dot Sprinkles • Candy Shop Clerk

Works at Sprinkles Candy Shop, next door to Rise & Shine Bakery, and collects anything shiny.

FEWER THAN 12 DETECTIVES?

Core characters (10–15) are always played. Optional characters join in order: 16, 17, 18 and so on. Those who aren't played simply weren't at the contest today, and the mystery works in full with the six core characters. Chief Inspector Crumb is played by the grown-up host.
