JOINS AT 13 PLAYERS

WHAT TO WEAR

Dress style: a crisp sundress and a candy-colored bar apron.

At the party you are: cheerful, theatrical and always shaking something.

Who you know: Mixing all the alcohol-free drinks for the weekend, from lavender lemonade to blueberry fizz.

How this booklet works

-  **Before guests arrive:** read page 2 alone. It holds your secret.
-  **Something Old · Round 1:** when the host starts Round 1, open page 3.
-  **Something New · Round 2:** the lower half of page 3, below the cut line.
-  **Something Borrowed · Round 3:** page 4. Then everyone votes.
-  **Something Blue · the reveal:** the Guest of Honor reads the truth aloud.

Print this booklet single-sided (or cut along the dashed line on page 3), so later rounds can't show through.

◆ THE WEEKEND ◆

A celebration weekend at Bluebell Lake Inn. At the welcome tea, celebrated wedding planner Celestine “Cece” Marchbanks sipped from the Guest of Honor’s heirloom blue teacup, went upstairs to rest and never woke up. Everyone at this party had a reason to be at that tea.

Never show this booklet to anyone. You may dodge questions about your secret, but never change the evidence.

You are innocent.

You did not harm Cece and you are not the culprit. You may still have something to hide.

If you are not in the game, nothing breaks. You are an optional character: the case can be solved without your booklet.

Your story and your secret

Cece secretly replaced your mocktail bar at the wedding with a celebrity mixologist. You found out from a group chat. Your bar also includes a “Sleepy Lavender” syrup made with valerian, which sounds like exactly the wrong thing tonight.

Where you were (your alibi)

- 3:00–3:30 · On the lakeside terrace with Remy Okafor, setting up the mocktail bar.
- 3:30 · In for tea with Remy.

Your goal

Keep the replacement quiet until someone asks about the wedding menu. Prove the lavender syrup never went near the tea.

If someone asks you...

“Sleepy Lavender?!” → “For bedtime mocktails. It never left the terrace.”

“Where were you?” → “On the terrace with Remy.”

“Were you angry at Cece?” → “Shaken, not stirred.”

PLAYING TIP

Stay in character, share your “Share” lines when a round opens, and write down every time you hear on your Detective Notes. Someone’s story will not match the clock.

Something Old

ROUND 1 · READ ONLY WHEN CALLED

Read only when the host starts Round 1.

Share

- You were on the terrace with Remy from 3:00 to 3:30.
- Your bar has a valerian “Sleepy Lavender” syrup. Say so before someone finds it.

KEEP QUIET FOR NOW · Being replaced at the wedding, unless asked about the menu.

Ask

- **Reese Calloway:** “Which mocktail goes with your cake?”
- **Remy Okafor:** “Did you see me leave the terrace?”

Your mission

Invent a mocktail named after the Guest of Honor and describe it.

NOTES

✂ CUT OR FOLD HERE · ROUND 2 BELOW · WAIT FOR THE HOST

Something New

ROUND 2 · READ ONLY WHEN CALLED

Read only when the host starts Round 2.

Share

- The doctor (Evidence #5) says the drops were Cece’s own heart drops, not anything from your bar.

Ask

- **Dakota Lane:** “Are cornflowers edible?”
- **Peyton Lowe:** “Did Cece ever pay a bill on time?”

Your mission

Find the guest with the best laugh and make them laugh again.

NOTES

Read only when the host starts Round 3.

 Share

- From the terrace at about 3:15 you saw a flash in a window on the garden side of the inn.

 Ask

- **Finley Marsh:** “Do you use flash indoors?”
- **Emerson Pryce:** “Which window is the tea room?”

Your mission

Lead a mocktail toast to the Guest of Honor before voting.
