How to use

Four steps. That is the whole system.

1

Pick one room.

Just one. Stuck? Use the Room Map on p.4.

2

Pick 3 tasks from its Room Card.

Cards are on pp.6–13. Any level counts: 2, 10 or 30 minutes.

3

Set a timer for 10 minutes.

Or 5, or 15. Write your 3 tasks on a 3-Task Reset page (p.5).

4

Tick, pick a reward, stop.

When the timer rings, you are done, even if the room is not.

| Missed a few days? Skip the guilt and go to the Restart Page (p.30).
