The 30-day file gives you 30 ready-made 3-Task Reset pages, so on an iPad you never have to duplicate a page. Print only what you need: Pages 6–13 are the room cards.

HOW TO PRINT

- Pick your size: US Letter (US, Canada) or A4 (almost everywhere else). A4 is laid out for A4, not shrunk.
- Set scale to **Actual size / 100%**, not 'Fit to page'. Black & white or grayscale is fine.
- To print only some pages, type a page range in the print dialog, for example **Pages 6–13** for all 8 room cards, or **Page 5** for extra 3-Task Reset sheets.
- The wide left margin is for a hole punch or binder.
- Reuse tip: laminate the room cards and the 3-Task Reset page, or slide them into a clear sheet protector, and write with a dry-erase marker.
- Fridge cards: print Room-Reset-Cards at 100%, cut on the dashed lines (marked 'cut').

GOODNOTES AND NOTABILITY (IPAD)
