

This file has been replaced

The single-size guide from version 2 is no longer used. Version 3 of the Freelance Pricing & Quote Kit comes in two page sizes:

`freelance-pricing-kit-letter.pdf` (US Letter) and `freelance-pricing-kit-a4.pdf` (A4).

Download them, plus the Excel workbook and quote template, from the same thanks page where you got this file. Questions: chenphien@gmail.com
